Some Baseball Talk

By HALF NELSON.

It is very sweet to note that Richmond took another jump in the percentage column yesterday. And the beauty of it is that the Colts are only a very few points behind the next higher club. Revelle brought the bacon home again, and let the Petersburgers down with just about the minimum of hits, and there were a couple of errors in line, too.

One beauty of this week is that the Colts have censed to fight with Petersburg for the cellar position. There are very few more gratifying things than the sight of Richmond crawling higher. Petersburg, however, still has the call on the bottom, and it does not seem that there is going to be any change for some time yet.

INVINCIBLE BALL

Danville Let Down With Four Hits, Being Defeated by

The Colts are having a whole week in Richmond this week. The majority of them come back to Richmond every night, instead of remaining in Petersburg. And it anybody in the world thinks that the Colts do not enjoy being home every night for a whole week, let him look at the Colts.

(Special to The Times-Dispatch.)

Danville, Va., August 10.—Lynchburg threw the hooks into the Red Sox and the colts and the colts and the colts.

Carl Walker, who was with Norfolk until a few days ago, has signed up with the Hampton club, of the Peninsula League. The fall from the Norfolk club to the Peninsula League may seem to be rather far for comfort, but it is really what Walker wants. He is too young to be with a professional club, and needs a season's hammering in a lesser league. There is a great deal of good stuff in Walker, and when he learns the ins and outs he will be able to figure.

Walter Doane is showing the same old form with Roanoke. Doane's experience with the big leaguers does not seem to have hurt him worth a morrison. Workson, Woolu gent.

The infusion of young blood into the Richmond team has really done wonders. Not, real wonders, such as climbing to the top, but still reasonable wonders, The old blood has got to fight with the young blood for the honors, and the result is both better honors, and better fielding. Bunting, Dobson and Ezeklel, although Ezeklel is the youngest youngster of the whole crowd, have made things stand around since they have been with Richmond.

Just 1 More Day to Wait for the 1911 Chalmers

In 1 day we shall be pleased to have you visit our salesroom for an inspection of our 1911 Chalmers "30" demonstrating car. You will be interested in this car, which has created a sensation wherever shown, which is the greatest automobile value ever offered at the price.

We offer the Chalmers cars to the people of Richmond with perfect confidence that they will make good every expectation. We are backed by the opinion of fifty of the leading automobile owners of this city.

We have ordered \$497,500 worth of Chalmers cars for 1911. This would have been a preposterous undertaking had we not known that every Chalmers owner is thoroughly satisfied with his

The demand which our owners have involuntarily created must be taken care of. It is our duty to take care of it.

We have received numbers of letters from them in substantiation of our every claim.

Here is the twelfth of the letters we received from prominent automobile owners in this city.

Letter No. 12

Mr. Lee Folger, General Manager, Gordon Motor Company Richmond, Va.:

Dear Sir,—The Chalmers "30" which I bought from you in September, 1909, has been running steadily since that time, and has given me absolute satisfaction, and so far has not cost me a cent in the way of repairs of any kind.

It certainly came up to my gave it when I gave you my order. It certainly came up to my expectations and to the high recommendation that you Very truly yours, J. ST. GEORGE BRYAN.

The story of Chalmers cars is one of unparalleled success.

When every single owner of a Chalmers car is absolutely satisfied, as is the case in Richmond, that car must be a good one. Chalmers cars ARE good cars, as you will know when you have examined our 1911 Chalmers "30" demonstrator.

Doane and Walsh Oppose Each Other in Game at Roanoke.

Roanoke.

[Special to The Times-Dispatch.]

Roanoke, Va., August 10.—Doane and Walsh, the two ex-big leaguers, opposed each other in the final game of the series between Norfolk and Roanoke. Honors were decidedly in favor of Doane, for only twenty-eight men faced him in the nine innings, and only one of these landed for a safe hit.

In the ninth inning, after two men were out, Walsh hit a hot one down the third base line, which was too hot for Spratt to handle. Walsh was the only man left on base, and he could have been doubled a minute later had Shaughnessy taken a little more time in making a throw from right field. Until the eighth inning the game was in doubt, but in this inning Roanoke laid it away by sending four rugs safely over. The score:
